

Bungay Neighbourhood Plan Group August 2020

As requested the web site for the Bungay Neighbourhood Development Planning Group (BNDPG) has been updated.

ESC has responded to the initial BNDPG document requesting more information on the selection of site 209 (adjoins the planned development close to the swimming pool). Our consultant has sent an initial response refuting ESC's comments as they do not follow the National Planning Policy Framework guidelines. A more comprehensive letter will be sent week commencing 17th August.
