1.0 Apologies John Adams, Jesse Timberlake.

Dave O'Neill did not attend.

1.1 Minutes from 15.01.2020 were agreed and signed.

1.2 Matters arising

KL will meet with MT on Thursday 16th January to discuss amendments to the text of the Plan and the questionnaire.

2.0 To consider arrangements for further meetings

KL reported that the February meeting was now booked for the Fleece. It was agreed that if any problems emerged with booking the Fleece one month at a time, then we would consider meeting at the British Legion (£20 per meeting), Bungay Riverside or SC's home.

3.0 Arrangements for the sites consultation

It was agreed to hold the consultations on February 8th and 15th at the Library and the Co-op. Whichever date could be fixed with the Co-op would leave the Library for the other event. It was also agreed that the events would run from 9.30 a.m. until 12.30 p.m.

Action: TD to ask the Co-op which date would be best for them.

It was agreed that there would be enough of us to be at both events for at least some of the time. The following items would be required: maps, banner, pens, paper questionnaires, online access to the questionnaire, notice boards. PJ offered to supply his laptop and extension lead for the Co-op event.
