1.2 Matters arising

KL announced that Guy Bradley had withdrawn from the Group for personal reasons (resignation e-mail forwarded to all).

4.0 NDP Site Assessment

It was agreed that the following should be changed in the document:

[Action: the revised version has already been submitted to the Group.]

5.0 The Environment section

JT made a few changes to the summary document of the Environment section. These were to be passed to MT.

6.0 The Community section

GS and KFL to meet in July to revise the section on a community hub.
